## KAWESKAR SKORPIOS ROUTE III

**Day 3:** 09:00 hrs. Visit to the Fiordo de las Montañas, where we will be able to observe four glaciers, which descend from the Sarmiento Mountain Range to the sea, two of them being in our logbook. 09:30 hrs.

Visit to the Alsina Glacier, disembark in our exploration boats to tour this small bay and its colorful glacier appreciating all its beauty and its huge mountains that surround it.

Mountains that surround it. 10:30 hrs. Back to Skorpios III. We continue sailing through the Fjord of the Mountains towards the Bernal Glacier. 11:15 hrs. Disembarkation at the Glacier. We start walking in the middle of a small native forest, and then cross a path that crosses a small lagoon of glacier water, we continue the walk over the front and side moraines, until we reach the front of the glacier. From here we will have the opportunity to touch some ice and be watching the receding phase of a glacier that no longer reaches the sea. 12:45 hrs. Passengers return to the ship, which is in a maneuver of supplying pure and natural water from a waterfall. This water is consumed on board for all the ship's services. 14:00 hrs. The Motonave Skorpios III continues sailing the Fjord of the Mountains and we will be able to see from the ship the Herman and Zamudio glaciers. 17:45 hrs. we arrive at Angostura White, here we will make another disembarkation, this time only in the exploration boats.

Prices may change according to availability at the time of booking.
